When do I declare my major?

❖ All CC sophomores will declare their major in March of their sophomore year
❖ You will have one week to use the online tool to declare your major
❖ You can change your major/concentration after the major declaration period by meeting with your Advising Dean
How do I declare my major?

Go to the online tool and sign in with your uni and password, you will come to a welcome screen:
Check to see if your major/concentration requires a departmental signature.
