Committee on Academic Standing

Petition to Change a Point Value After the Deadline

What is the Committee on Academic Standing (CAS)?
CAS is comprised of Advisers and Advising Deans from the Berick Center for Student Advising (CSA). CAS upholds the policies and regulations of the Columbia College (CC) and the Fu Foundation School of Engineering and Applied Science (SEAS) Committees on Instruction (COI), and determines when circumstances warrant exceptions. CAS meets weekly to review petitions on a case-by-case basis. Decisions seek to uphold the rules of the CC and SEAS COIs while treating students equitably, bearing in mind the particular circumstances surrounding each student’s petition.

Under what circumstances should I submit a petition to change a point value?
While most courses at Columbia have a fixed point value, a small number of courses have a variable point value (i.e. Barnard dance, independent research, etc.). Such courses default to a certain point value, but students may select an alternative point value through SSOL during the change of program period. After this deadline, students must submit a petition to the Committee on Academic Standing.

*Please Note:* Students should be aware that they may not change the point value of a course if it results in fewer than 12 points for the semester. If the point value places students above their credit limit (CC-22/SEAS-21), the student must also submit a petition to register above the credit limit.

What should I do if I need to submit a petition?
You must contact your CSA Adviser if you believe your situation should be reviewed by CAS for a possible exception. Your adviser will review your case, clarify policies, discuss options, and ensure that all paperwork is complete.

What paperwork must I submit when petitioning to change a point value after the deadline?
1. Petition to Change a Point Value (this packet)
2. Registration Adjustment Form (complete, except for adviser signature)
3. A typed Statement to the Committee
4. Instructor support (in cases of independent study/research)
5. “Grades” screen printed from SSOL

What is the deadline to submit a petition?
Because CAS meets weekly, petitions must be submitted by 3:00pm on Friday in order to be considered the following week.

How will I be notified of the decision?
Students should expect an email notification of the Committee’s decision within five business days of the Committee meeting.

May I appeal the decision?
If CAS denies your petition, you may submit a written appeal to the Dean of Advising (CC) or the Dean’s Office (SEAS). Additional information and documentation (not included with the initial petition) must be provided for your appeal to be considered. More details will be provided to you if your petition is not approved.
