What is the Committee on Academic Standing (CAS)?
CAS is comprised of Advisers and Advising Deans from the Berick Center for Student Advising (CSA). CAS upholds the policies and regulations of the Columbia College (CC) and the Fu Foundation School of Engineering and Applied Science (SEAS) Committees on Instruction (COI), and determines when circumstances warrant exceptions. CAS meets weekly to review petitions on a case-by-case basis. Decisions seek to uphold the rules of the CC and SEAS COIs while treating students equitably, bearing in mind the particular circumstances surrounding each student's petition.

Under what circumstances should I submit a petition to drop a course?
SEAS students may drop most courses up until the 10th week of the semester (with the approval of either their advising dean or faculty adviser, depending on the course). In exceptional circumstances, such as medical illness, family emergency, etc., students may petition CAS for permission to drop a course after the deadline. With the exception of seniors who need fewer than 12 points to graduate, students should be aware that they may not drop from a course if it will put them below 12 credits for the semester.

Columbia College students may request to drop most courses until the 5th week of the semester via SSOL. After the drop deadline and before the P/D/F deadline, Columbia College students must request to withdrawal from a course with a mark of “W”.

Note: Core Curriculum courses (i.e., Art Humanities, Music Humanities, Literature Humanities, and Contemporary Civilization) have a much earlier drop deadline (the 2nd Friday of the semester). As described above, a student with exceptional circumstances may petition to drop a Core course after that deadline.

What should I do if I need to submit a petition?
You must contact your CSA Adviser if you believe your situation should be reviewed by CAS for a possible exception. Your adviser will review your case, clarify policies, discuss options, and ensure that all paperwork is complete.

What paperwork must I submit when petitioning to drop a course after the deadline?
1. Petition to Drop
   a. Petition for Action
   b. Instructor Form to Drop a Course After the Deadline
   c. Registration Adjustment Form (complete, except for adviser signature)
2. A typed Statement to the Committee
3. “Grades” screen printed from SSOL
4. Supporting documentation (medical note, confirmation of family emergency, etc.)

What is the deadline to submit a petition?
Because CAS meets weekly, petitions must be submitted by 3:00pm on Friday in order to be considered the following week.

How will I be notified of the decision?
Students should expect an email notification of the Committee’s decision within five business days of the Committee meeting.

May I appeal the decision?
If CAS denies your petition, you may submit a written appeal to the SEAS Dean’s Office. Additional information and documentation (not included with the initial petition) must be provided for your appeal to be considered. More details will be provided to you if your petition is not approved.
