

Committee on Academic Standing (CAS)

Petition to Register For Fewer than 12 Points (final semester only)

What is the Committee on Academic Standing (CAS)?

CAS is comprised of Advisers and Advising Deans from the Center for Student Advising (CSA). CAS upholds the policies and regulations of the Columbia College (CC) and the Fu Foundation School of Engineering and Applied Science (SEAS) Committees on Instruction (COI), and determines when circumstances warrant exceptions. CAS meets weekly to review petitions for action on a case-by-case basis. Decisions seek to uphold the rules of the CC and SEAS COIs while treating students equitably, bearing in mind the particular circumstances surrounding each student's petition.

What is minimum number of credits I can take per semester?

The Committees on Instruction have determined that students must maintain a full time course load of at least 12 points. However, students in their final semester who have applied to graduate may petition to take fewer than 12 points.

Eligible students must consider the following terms and conditions:

1. You may only take fewer than 12 points during your final term at Columbia.
2. You are required to pay full tuition, regardless of the number of points taken.
3. Registering for fewer than 12 points will make you ineligible for the Dean's List.
4. Registering for fewer than 12 points may impact your financial aid (i.e. loans, scholarships, grants). Check with your financial aid adviser.
5. Some health insurance plans require you to be a full-time student in order to be insured. Check with your insurance provider.
6. If you are an athlete, registering for fewer than 12 points may impact your eligibility to compete. Check with Athletics.
7. If you are an international student, check with ISSO on how registering for fewer than 12 points will affect your visa status.

What should I do if I need to submit a petition?

You **must** contact your CSA Adviser if you believe your situation should be reviewed by CAS for a possible exception. Your adviser will review your case, clarify policies, discuss options, and ensure that all paperwork is complete.

What paperwork must I submit when petitioning to register for fewer than 12 points?

1. Petition to Register for Less than 12 Points (this packet)
2. Written confirmation from the Director of Undergraduate Studies of your department (or their designee) to confirm that you have completed (or will be on track to complete) your major or concentration by the end of your final semester, considering the proposed course load
3. Degree Audit Report (DAR) printed from SSOL
4. Registration Adjustment Form (if after the change of program period)

What is the deadline to submit a petition?

Because CAS meets weekly, petitions must be submitted by **3:00pm on Friday** in order to be considered the following week.

How will I be notified of the decision?

Students should expect an email notification of the Committee's decision within five business days of the Committee meeting.

May I appeal the decision?

If CAS denies your petition, you may submit a written appeal to the Dean of Advising (CC) or the Dean's Office (SEAS). Additional information and documentation (not included with the initial petition) must be provided for your appeal to be considered. More details will be provided if your petition is not approved.
