Title of Writing Sample_________________________________________________________________________
(Applications Cannot Be Considered Without Writing Samples)

Declaration of Focus – Single genre
All majors must declare a focus in one of these three genres: fiction, nonfiction, or poetry. You may apply to more than one focus but if accepted to more than one you will be asked to choose a genre. If you plan to apply to more than one focus you must submit separate applications for each with the appropriate writing sample and Major Application Form.

Declaration of Focus – Cross genre
Students wishing to declare a “cross genre” focus must submit an application with one sample from each of the genres selected. Students can select from two of the three available genres. Each application must be approved in both genres in order to be admitted to the major.

Writing Sample Requirements
Fiction  15-20 pages of fiction (typed & double-spaced; can be more than 1 piece)
Poetry   10 poems (typed & single-spaced, one page per poem)
Nonfiction  15-20 pages of literary nonfiction (profile, feature, personal essay, biography, memoir) (typed & double-spaced; can be more than 1 piece)

Keep copies of your writing sample. Do not submit your only copy.
