Overview

CLUB FINANCE is a resource designed by the Student Affairs Central Business Office (SACBO) to promote fiscal responsibility, management and planning amongst the student organizations and its leaders. Through this training, student leaders with a financial role (usually the Treasurer and the President) will learn about university policies and procedures, be introduced to financial documents and forms, and learn about fiscal accountability and compliance. The guide was created to educate you, our student leaders, on how to budget and manage your account(s) more effectively, training you as front-line financial advisors for your student organizations.

Responsibilities & Expectations

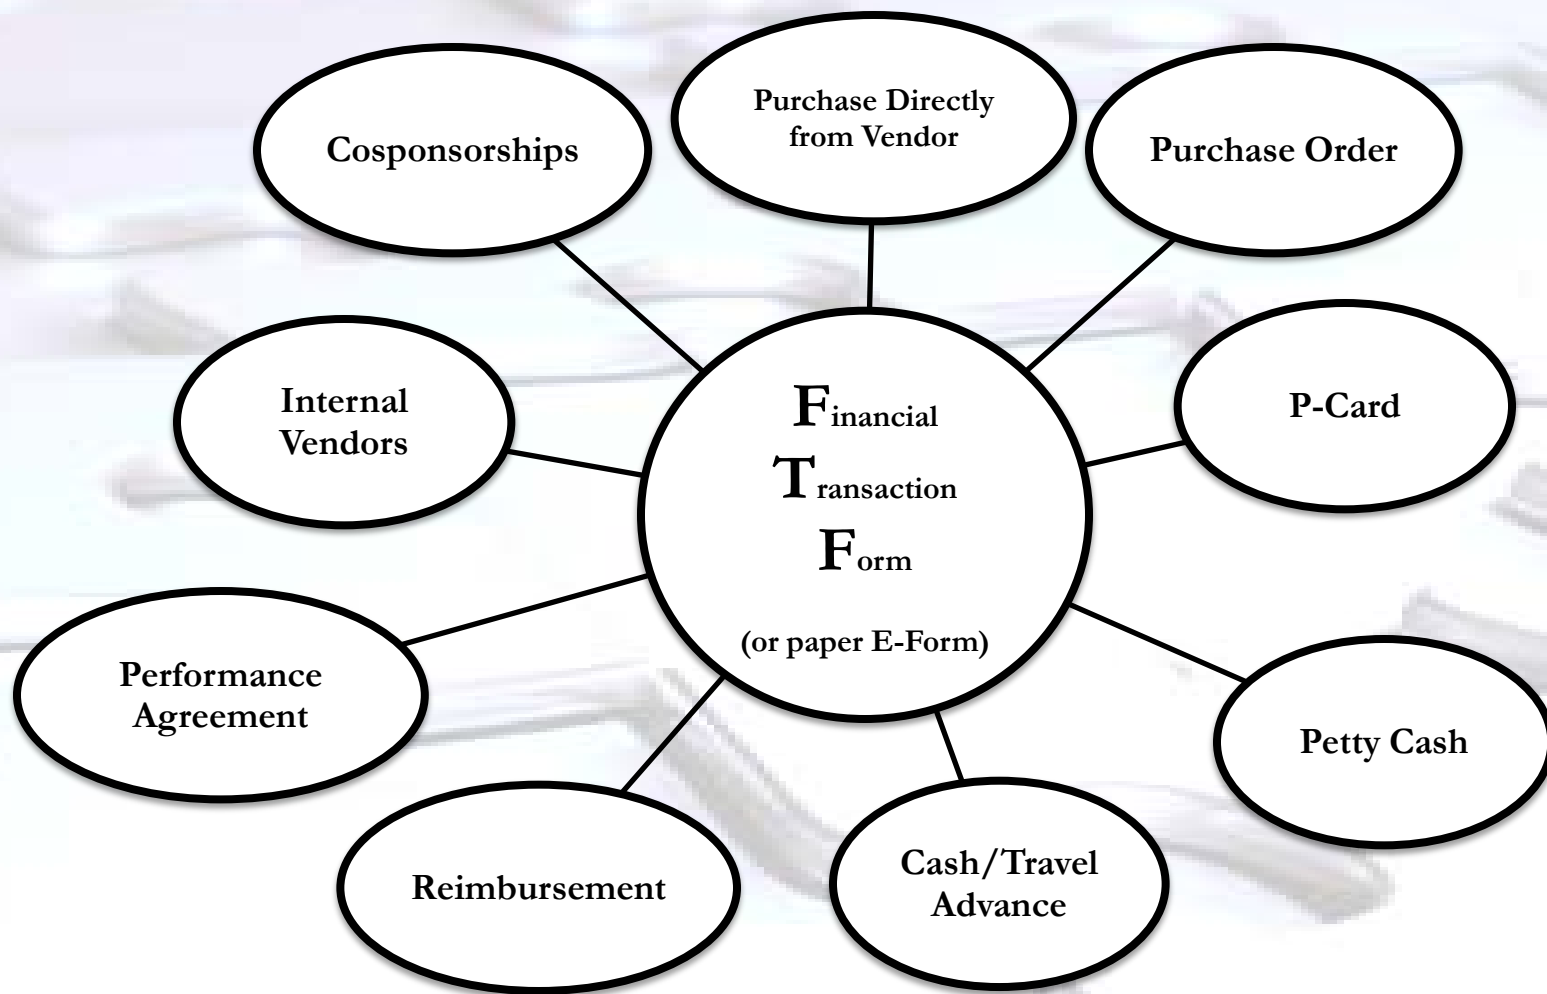

- ❑ ***Gain*** first hand experience with managing a budget - know your budget & track it.
- ❑ ***Understand*** University policies.
- ❑ ***Serve*** as a resource to other members of your group through financial advising and training.
- ❑ ***Complete*** Club E-Finance Training and successfully complete the timed assessment. Note: All Student Leaders with financial responsibilities must take and pass the assessment before they can start authorizing expenses.
- ❑ ***Attend*** financial trainings during Club Re-Charge that are relevant to your group's operations.
- ❑ ***Function*** as Primary approver of all expenses/transactions.
- ❑ ***Create*** a financial history for your group.

Promoting Good Financial Management

As a student leader it is important for you to:

- ❑ Create a budget for all your events.
- ❑ Keep copies of all documentation associated with financial activity.
- ❑ Review monthly financial statements for inconsistencies (duplicate payments, missing transactions, transactions that are posted to your account but are not yours) and alert your Financial Advisor of them.
- ❑ Review your open commitments (Purchase Orders/EZPO's) and notify your Financial Advisor of commitments that can be liquidated/voided because they are no longer valid.
- ❑ Submit FTFs, receipts, invoices, reimbursements, etc. in a timely manner.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the “Name” line. You may enter your business, trade, or “doing business as (DBA)” name on the “Business name” line.

Limited liability company (LLC). Check the “Limited liability company” box only and enter the appropriate code for the tax classification (“D” for disregarded entity, “C” for corporation, “P” for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner’s name on the “Name” line. Enter the LLC’s name on the “Business name” line.

For an LLC classified as a partnership or a corporation, enter the LLC’s name on the “Name” line and any business, trade, or DBA name on the “Business name” line.

Other entities. Enter your business name as shown on required federal tax documents on the “Name” line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the “Business name” line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the “Exempt payee” box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian, or
15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.consumer.gov/idtheft or 1-877-IDTHEFT(438-4338).

Visit the IRS website at www.irs.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

Invoices/Receipts/Statements

- ❑ An invoice is a bill submitted for payment.
- ❑ A receipt is typically a record acknowledging that payment was received. Some vendors on the Vendor List provide a receipt when a purchase is made via E-Form, that functions like an invoice requesting payment.
- ❑ A good invoice has the following information:
 1. Invoice Number or Register Receipt Number
 2. Vendor Information: Name, Address & Phone Number
 3. Addressed to Columbia University
 4. Invoice Date
 5. Itemization of Purchase
 6. Amount Due
- ❑ Unacceptable invoices are those missing one or more of the above mentioned items.
- ❑ Some businesses may not have an invoice that reflects all the information required. You should obtain the following item(s) to include with the invoice, in order to make it acceptable:
 1. Business card.
 2. Menu with highlighted items purchased, in addition to guest check.
 3. Note on letter head signed by manager indicating date of event, total cost & items purchased.
- ❑ Receipts/Invoices for out of pocket expenses & petty cash must show proof of payment (i.e. paid stamp, indication of amount paid or indication of zero balance due).

Invoices/Receipts/Statements Cont'd

- ❑ Invoices/receipts/statements must be prepared properly so they can be scanned into a database:
 - Invoices/receipts/statements that are smaller than 8 ½ x 11” must be taped (not stapled) to a standard letter size (8 ½ x 11”) sheet of paper, before it is submitted for processing. This must be done for all transactions.
 - When taping down invoices/receipts, make sure you do not cover any of the writing on the receipt with tape, even clear tape (it may not be legible once it is scanned).
 - Do not use highlighter pens on invoices/receipts/statements. Use an asterisk to emphasize purchases.
 - Cross out barcodes on any receipts (barcodes can cause problems during the scanning process).

Tipping

- Is tipping allowed?
 - Tipping is allowed if the group has enough funds available on the FTF/E-Form to cover the additional expense, if the service warrants it and if the tip is reasonable.

- What is a reasonable tip?
 - Up to 15% for deliveries
 - Up to 20% for services- 25%

Planning & Approval Process

Club Spending

Purchase Directly from Vendor

- ❑ What is a direct purchase from a vendor?
 - It is the process whereby the student provides completed and approved FTF/E-Form to the vendor, to exchange for goods and/or services.
 - These transactions can be done in the store/restaurant or via phone/fax for delivery or shipment.
 - The vendor agrees to provide the goods/services immediately and bill the University at a later time, in order to receive payment.
 - These purchases are tax-exempt because of the University's not-for-profit status.
 - Invoices may be mailed by the vendor to SACBO at Columbia with a copy of the FTF/E-Form.
 - In some instances, the vendor will provide you with the invoice or receipt at the time of purchase. In those instances, you must submit that invoice/receipt with a copy of the FTF/E-Form.

Purchase Directly from Vendor Cont'd

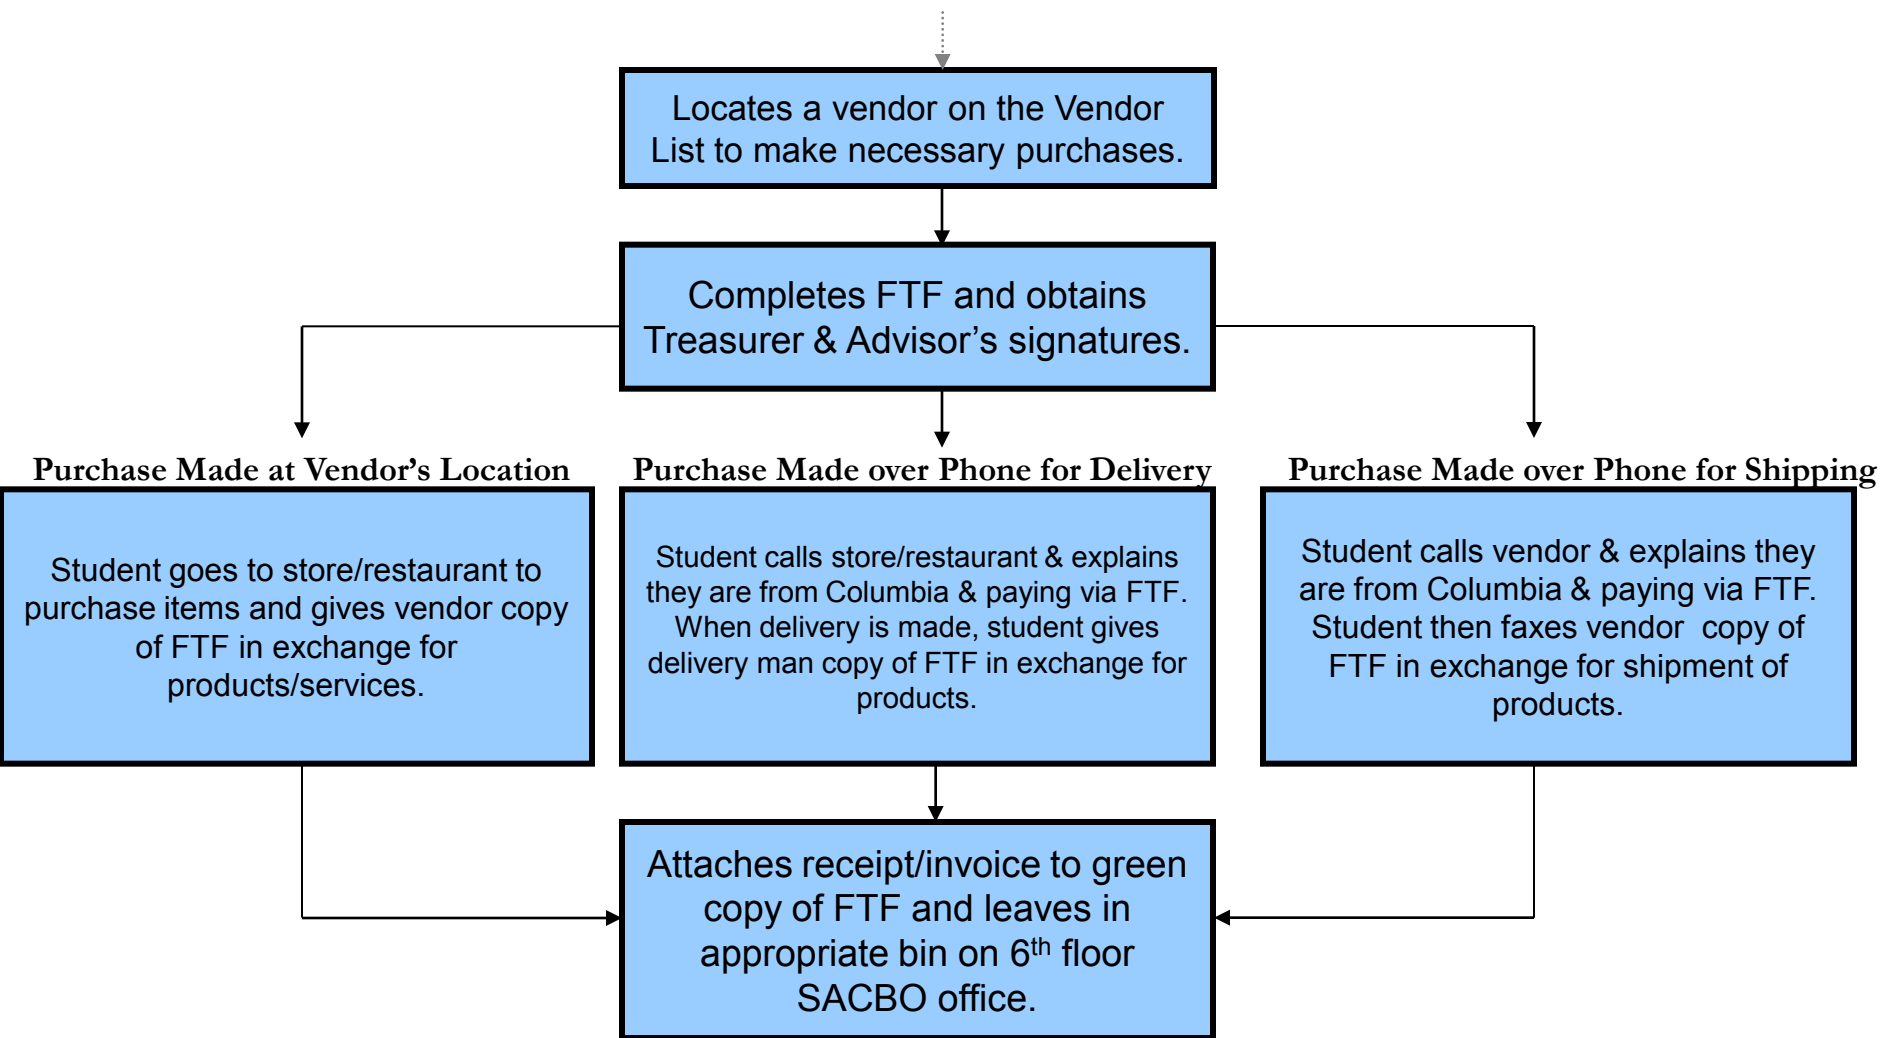

❑ Documentation Requirements:

- Invoices/receipts should have all the pertinent details (i.e. date, name, address & phone # of vendor and itemization.)
- Invoices/receipts that are smaller than 8 ½ x 11” must be taped (not stapled) to a standard letter size (8 ½ x 11”) sheet of paper, before it is submitted for processing.
- Invoices/receipts should be attached to the FTF or green copy of the E-Forms/Vouchers with a paperclip, after they have been taped to a letter size sheet of paper.

❑ Timeline for Submission:

- FTFs/E-Forms with invoices/receipts attached (if one is given to you by the vendor at time of purchase) should be left in the bin on the 6th floor, as soon as possible after purchase is made, during regular business hours.

Purchase via Purchase Order

- ❑ What is a Purchase Order (PO/EZPO)?
 - A Purchase Order is a contractual document that protects the University's interests and clearly defines the terms and conditions associated with the purchase.

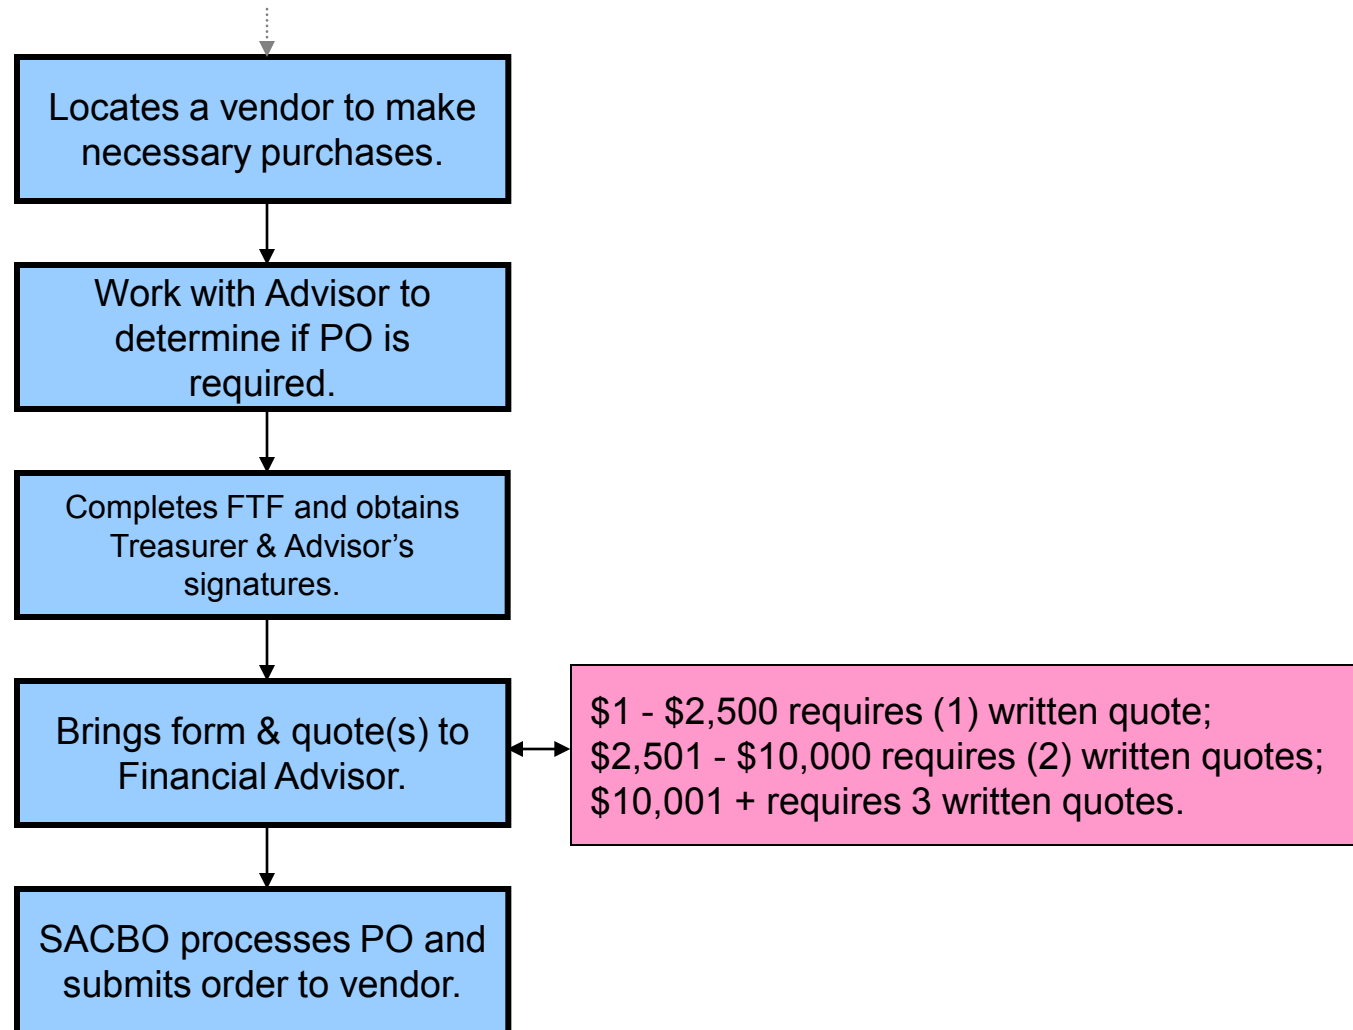

- ❑ When is a Purchase Order used?
 - When the University requires one based on the commodity you are purchasing (i.e. promotional items/t-shirts with University name or logo, contracted services, etc.).

- ❑ How is a Purchase Order generated?
 - Vendor provides group with a quote(s) or estimate for goods/services.
 - Submit all documentation directly to your Financial Advisor on the 6th floor.
 - The Financial Advisor generates the PO and faxes it to vendor.
 - Group representative confirms receipt of PO with vendor.

Purchase via Purchase Order Cont'd

- ❑ The University has revised its purchasing policies and these changes include the following new steps:
 - Validating new vendors and existing vendors: Most of the vendors we have already worked with were submitted for vendor validation, however, many still have yet to be validated.
 - Creating Purchase Orders for many types of purchases that in the past didn't require one (i.e. promotional items/t-shirts with University name or logo).
- ❑ How will this impact your group's operations?
 - It may take SACBO longer to create new vendors. Although we are able to RUSH some requests, the vendor must provide the required information to Purchasing before they are validated.
 - Additional paperwork might be necessary to create Purchase Orders that was not required in the past.
- ❑ Due to these new changes, advanced planning is even more important! Please work with your organizational and Financial Advisor at least 2 months in advance to get more detailed information.

Purchase via Purchasing Card

- ❑ What is a Purchasing Card (P-Card)?
 - A P-Card is a University issued credit card that can be utilized by staff for purchase of specific goods (i.e. program supplies, food eaten on campus, subscriptions, etc.).
 - Requires the Organizational Advisor to make the purchase on behalf of the student group, via phone or internet.
 - Vendor is directly paid by bank so it reduces turn-around time usually associated with generating a University check.
 - Limited to vendors that are *not* on the vendor list.

- ❑ When can a P-Card be used?
 - When an FTF or E-Form cannot be utilized to purchase goods.
 - Purchases less than \$2,500.
 - When a vendor requires payment immediately.
 - Approved P-card Purchases include:
 - ◆ Conference registration, membership dues and fees, subscriptions, food purchases for on-campus events, programming supplies, software purchase, overnight air and ground delivery charges, etc.

Note: The P-Card cannot be used for travel, travel related expenses or gifts.

Purchase via Purchasing Card

- ❑ Allowable Uses (NOT A COMPLETE LIST):
 - Books
 - Minor computer equipment, software, and supplies
 - Lab supplies and minor equipment
 - Registrations for conferences and seminars

 - Supplies and materials
 - Overnight air and ground delivery charges (UPS)

 - Newspaper, journal, on-line advertising fees
 - Door Prizes (small prizes with nominal value such as key chains, magnets, shot glasses etc)
 - Promotional items **WITH** Columbia University logo and/or trademarks **must be used with University preferred vendors only**
 - General programming supplies such as markers, colored paper, tape etc.

Note: The P-Card cannot be used for travel, travel related expenses or gifts.

Note: When in doubt, it is important to check in with your financial advisor.

Petty Cash

- ❑ What is Petty Cash?
 - It is a fund used to pay for *cash* expenses. Debit and credit card purchases are not allowed.
- ❑ Petty cash can be used in two distinct ways:
 - Reimbursement: Allows for the reimbursement of minor cash expenses of \$50 or less, where there is no approved vendor on Vendor List.
 - Advance: Acts as an advance for minor cash expenses of \$50 or less, where there is no approved vendor on Vendor List.
- ❑ Petty cash is not allowed to be used for purchases from vendors on the Vendor List.
- ❑ Petty cash must be used locally (in NYC only) and is not allowed for food eaten off-campus nor for unallowable items (i.e. flowers, alcohol, gifts, etc.).
- ❑ All requests for a Petty Cash Advance or Reimbursement require 3 business days notice. SACBO has limited funds so the time allows us to ensure that funds are available for use when needed.
- ❑ The University's Tax Exemption Certificate must be given to vendor at time of purchase. You are personally responsible for any taxes paid using petty cash.

Petty Cash Cont'd

- ❑ Timeline for Submission:
 - Receipts and remaining cash from petty cash advances must be submitted within 48 hours of purchase directly to your Financial Advisor, on the 6th floor.
 - Failure to return money and receipts within 48 hours will suspend your club from further use of petty cash and it may have ramifications on your account.
- ❑ Documentation Requirements:
 - Receipts should have all the pertinent details (i.e. date, name, address & phone # of vendor and itemization.)
 - Receipts must show proof of payment (i.e. paid stamp, indication of amount paid or indication of zero balance due).
 - Receipts that are smaller than 8 1/2 x 11" must be taped (not stapled) to a standard letter size (8 1/2 x 11") sheet of paper, before it is submitted for processing.

Purchase via Petty Cash Process

Cash/Travel Advance

□ What is a Cash/Travel Advance?

- Provides student organizations with cash funds up to \$1,500.
- **Personal accountability and liability associated with these funds. The advance holder is held personally responsible if funds are missing or if there is misuse of funds.**
- Only one advance per group allowed at any given time. If there is need for additional advances, previous advances must be reconciled first.
- Cannot use credit card to make purchases, must use cash or debit card (a copy of debit card printout indicating transactions must be provided with receipts, if applicable, when reconciling).
- Must be requested at least 10 business days in advance.

□ When are groups eligible to utilize this?

- Per the discretion of the Organizational Advisor; usually awarded in instances when there is no approved vendor and expenses are estimated over \$50 (i.e. travel, costumes for productions, etc.).

Cash/Travel Advance Cont'd

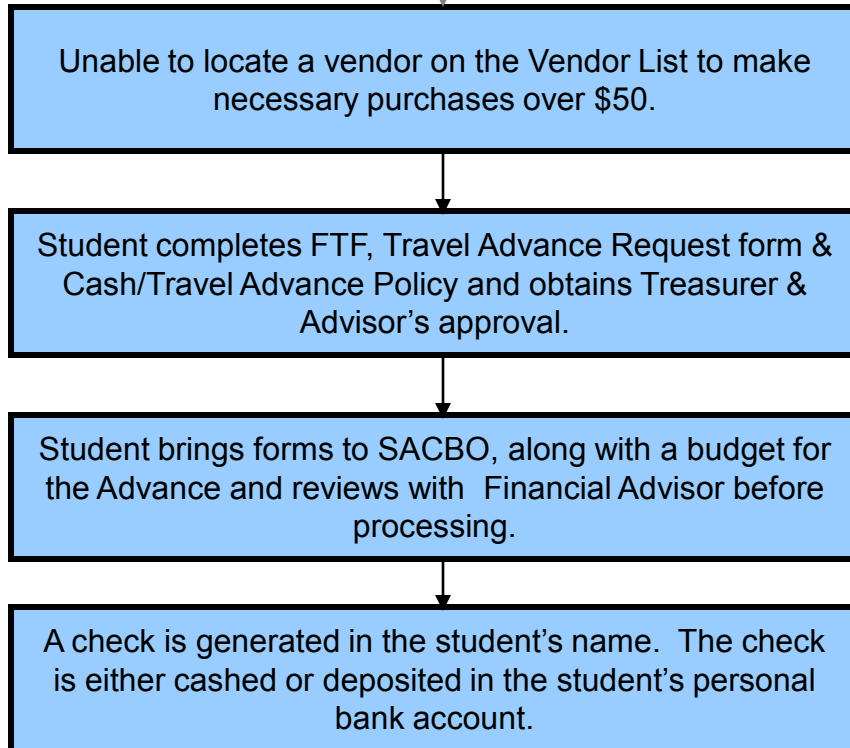

- ❑ Important considerations:
 - Before spending funds, student must sit with Financial Advisor to review and sign Cash/Travel Advance Policy; they must also submit a budget and complete a Travel Advance Request Form (for both travel & non-travel) and an FTF/E-Form.
 - Funds must be used only for the event/travel for which they were requested.
 - Funds cannot be used to pay individual for performances, services rendered or any other service that must be paid by University Check.
 - Because the advance holder is fully responsible for the funds, it is strongly advised against distributing portions of the advance to other students to make purchases.
 - The University's Tax Exemption Certificate must be given to vendor at time of purchase. You are personally responsible for any taxes paid using the advance, with the exception of travel to states where we are not tax exempt.
 - All expenditures must be documented with a legitimate, itemized receipt.
 - Debit Card receipts used to reconcile an advance must belong to the actual Advance holder.

Cash/Travel Advance Cont'd

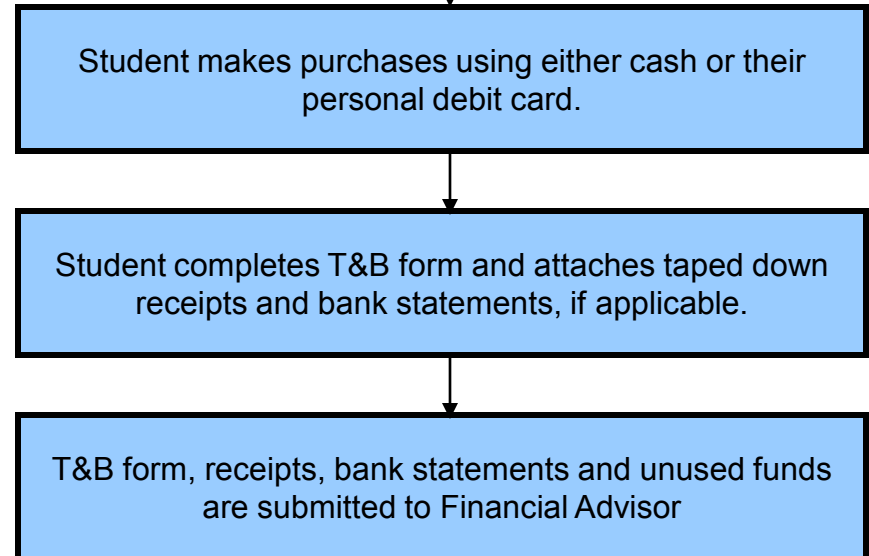

- ❑ How is an advance reconciled?
 - The advance holder completes a Travel and Business Expense Report form (T & B Form); this is the same form also utilized for reimbursement of out-of-pocket expenses.
 - Receipts that are smaller than 8 ½ x 11” must be taped (not stapled) to a standard letter size (8 ½ x 11”) sheet of paper, before it is submitted for processing.
 - If a debit card was used, a copy of the statement, including both the advance holder’s name and the transactions, must be submitted. **Note: Debit card must belong to the cardholder**
 - If the advance is not used in full, any unused funds must be submitted to your Financial Advisor in the form of cash or a check made payable to Columbia University.
 - Must be reconciled 5 business days after returning from trip or 10 business days after receipt of advance, for non-travel.
 - Submit all documentation directly to your Financial Advisor on the 6th floor

Out-of-Pocket Reimbursements

- ❑ Students sometimes use their own funds to purchase goods for their organization. Personal funds are used for many reasons including:
 - Vendor is not on the Vendor List.
 - For last minute expenses when there isn't sufficient time to get the necessary approvals.
- ❑ The University's Tax Exemption Certificate must be given to vendor at time of purchase. You are personally responsible for any taxes paid on a purchase, with the exception of purchases made during travel to states where we are not tax exempt.
- ❑ Out-of-pocket expenses must conform to University, Divisional and governing board policies otherwise the person will not be reimbursed.

Out-of-Pocket Reimbursements Cont'd

- ❑ How are expenses submitted for reimbursement?
 - The person seeking reimbursement completes a Travel and Business Expense Report form (T & B Form); this is the same form also utilized for cash advance reconciliations.
 - Receipts that are smaller than 8 1/2 x 11" must be taped (not stapled) to a standard letter size (8 1/2 x 11") sheet of paper, before it is submitted for processing.
 - If a debit card or credit card was used, a copy of the statement, including both the person seeking reimbursement's name and the transactions, must be submitted. Note: If a statement cannot be provide with both the cardholder name and transactions, a photocopy of the credit/debit card showing both the cardholder's name and the credit card number that appears on the receipt can be provided instead.
 - Retain a copy of all receipts and the T&B Expense Report submitted for reimbursement.
 - Submit all documentation directly to your Financial Advisor on the 6th floor.

Out-Of Pocket Reimbursement Cont'd

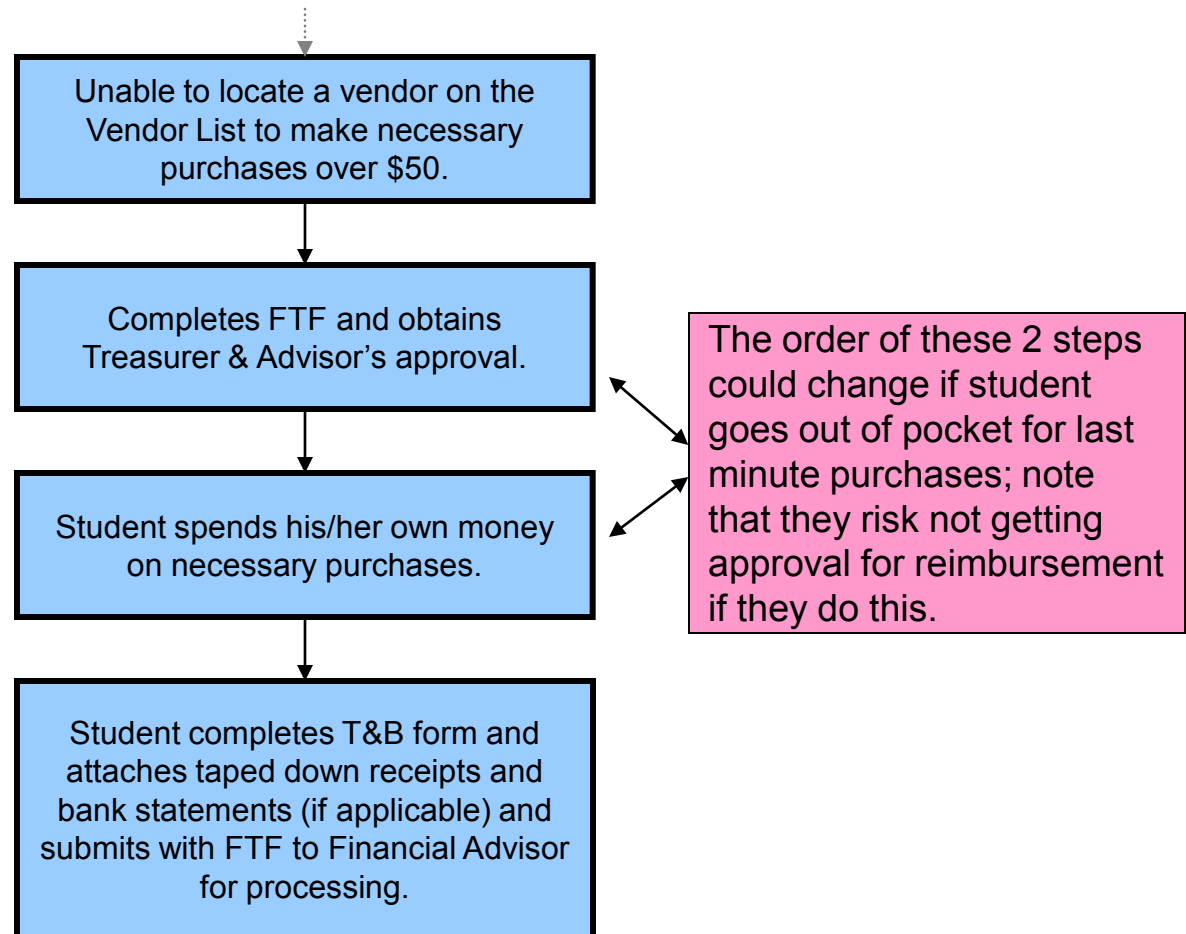

- ❑ Reimbursements should be submitted as soon as possible after the expense has been incurred.
- ❑ Failure to submit all the necessary and complete documents to your Financial Advisor will prevent SACBO from processing your reimbursement.
- ❑ Students **must** submit requests for reimbursement to SACBO **within 120 days** from the date the expenses were incurred, **or the end of the University's fiscal year on June 30th**, depending on which comes first.
- ❑ **Failure to submit within 120 days** or at the fiscal year-end will require a written explanation of facts and circumstances of late submission. An unacceptable explanation would make the reimbursement taxable. The following are exceptions to the policy:
 - Prolonged travel with no mechanism to submit expenses.
 - Medical issues or leave.
 - Being busy is not acceptable.
- ❑ If the expenses are not submitted **within one year, they are always taxable.**

Out-Of Pocket Reimbursement Cont'd

Out of Pocket Reimbursement Checklist:

- Confirm receipts are itemized.
- Confirm sales tax was not charged; circle subtotal if it was.
- Tape down receipts to letter size paper and cross out barcodes.
- Secure personal information on receipts /statements (credit card #s and SS #s)

- Complete, **sign & date** T&B Expense Report Form.
- For Food Only:

 - If the item to be reimbursed is a hotel room, is the folio included?
 - If the item to be reimbursed is gas, is a copy of the car rental agreement included?
 - If the group attended a conference/competition/training is an event flyer included?
- Attached taped down receipts, credit/debit card statement (or photocopy of credit/debit card) & approved FTF to back of T&B form.
- Include W9 Form, if first time being reimbursed by University.

Letter of Intent/Contractual Agreement

- ❑ Purpose and Use of a Letter of Intent/Contractual Agreement
 - Agreement between student group or department with an individual or entity that provides services or goods.
 - Generally used to pay for services such as a trainer, facilitator, consultant, graphic designer, DJs for parties, etc.
 - Confirms the terms of the agreement and outlines services being provided.
 - These documents must be authorized by an administrator of the University (usually your Organizational Advisor or your Financial Advisor). Students cannot sign.
- ❑ Completed by student group in collaboration with your Advisor. Event specific information is entered and various clauses are omitted, if not applicable.
- ❑ Timing: If the vendor is requiring payment on the day of the event, the Letter of Intent and all supporting documentation must be submitted at least 15 business days in advance. If this is a new vendor, additional time is needed to add the vendor in the University's Accounts Payable system. As with all new vendors, a W-9 form is also required.
- ❑ Submit all documentation directly to your Financial Advisor on the 6th floor

Internal Vendors

- ❑ What are internal vendors?
 - Internal Vendors are departments within Columbia University that provide services for a fee.
 - Examples include: Facilities, Security, University Event Management, Printing Services and Columbia Catering.
 - Groups' accounts are charged directly via internal transfer; a check is not generated.
- ❑ Recommended Practices:
 - Secure a quote from the internal vendor.
 - Always provide the group's account number to the internal vendor.
 - Green copies of E-Forms/Vouchers with quotes attached (if one is given to you by the internal vendor) should be left in the bin on the 6th floor, as soon as possible after reservation/purchase is made, during regular business hours.
 - Reconcile charges using the monthly report. Be proactive! Follow-up with vendor if:
 - Charges are not reflected.
 - Actual costs are greater than estimates initially received.
 - Note: SACBO can provide copies of the detailed invoice (IDI) for some internal vendors including: Columbia University Catering, University Event Management, and Facilities

Cosponsorships

- ❑ What is a cosponsorship?
 - This is financial support (a transfer of funds between accounts) for an event or program organized by another group or department.
 - A cosponsorship will show up as a debit on the account of the group giving the money and a credit on the account of the group receiving the money.

- ❑ How to facilitate a cosponsorship (within the University):
 - Get a written commitment from group giving your group a cosponsorship, for your internal records.
 - Groups cosponsoring an event should submit a completed and authorized FTF to SACBO.
 - Both groups (giving and receiving) should review monthly detail report to ensure that funds were transferred.
 - If anticipated funds are not reflected, alert your advisor and follow-up in writing.
 - FTFs should be left in the bin on the 6th floor, as soon as possible after the agreement to provide support is made, during regular business hours.

- ❑ Cosponsorships can be made to Barnard groups. This also requires the completion and submission of an FTF. SACBO will handle cutting the check.

Cosponsorships Process

Debit Side

Student from group giving the funds writes a written commitment to the group/dept. they are cosponsoring.

Completes FTF and obtains Advisor's approval.

Brings completed form to SACBO and leaves in appropriate bin for processing.

Credit Side

Student from group receiving the funds requests a written commitment from the group/dept. cosponsoring the event.

Checks monthly ARC report to see if cosponsorship is posted.

If funds were received, confirm the amount is correct.

If funds were not received, follow up with group/dept.

General Processes/Policies

Travel

- ❑ If your group plans to travel, please review the general guidelines below:
 - For domestic travel, meet with your Organizational Advisor at least two months prior to proposed trip departure date.
 - For international travel, meet with your Organizational Advisor at least three months prior to proposed trip departure date. International travel requires pre-approval and submission of certain documents within an allotted amount of time. **Failure to submit this information within the given time frame may result in your trip not being approved.**
 - Discuss business purpose of travel and how it applies to your organization's goals.
 - Discuss modes of traveling (car rental, flying, rail/bus) & process associated with each.
 - Discuss expenses to be incurred while on trip and how these will be covered (revenue vs. allocation and travel advance vs. out of pocket reimbursements, etc.).
 - Review documents that must be completed prior to traveling (travel waivers, etc.).
 - Discuss expectations of the group while traveling & representing the University.
 - Remember to please request itemized receipts for all expenses while traveling. These are needed if you are requesting to be reimbursed and for reconciling your travel advance.
 - Bring Tax Exemption Certificate if traveling in one of the states the University is tax exempt.

Travel Cont'd

❑ Rental Vehicles:

- Hertz is the preferred University vendor. Please use them for your rental car needs. There are age requirements for class/type of vehicle.
- **DO** purchase a Loss Damage Waiver (LDW) and Supplemental Liability Insurance from Hertz when renting a vehicle in US.
- The Division of Student Affairs also has an account with Enterprise. There are age requirements for class/type of vehicle. If renting from a vendor other than Hertz, additional insurance should be purchased: Collision/Loss Damage Waiver, Supplemental Liability Insurance, and Personal Accident Insurance.
- If you are unable to utilize either of these vendors and want to try and set up a new vendor account, please note that the rental agreement and company's insurance must be vetted by Purchasing first. **PLAN AHEAD!**
- For group travel, the use of mini-vans is strongly encouraged (the University does not currently have an approved vendor for larger vehicles) or public transportation when feasible.

❑ Airfare:

- Columbia requires that you fly economy/coach & your carrier selection should be based on price, not preference.
- STA Travel accepts FTFs. However, for more competitive prices, you can book your flights via internet and request a reimbursement from the University.

Travel Cont'd

❑ Use of Personal Vehicles:

- The current University policy strongly encourages us to refrain from the use of personal vehicles while traveling on University business or for University sanctioned events and programs. As such, as a Divisional practice, we do not allow our students to use personal vehicles when traveling under the auspices of the University due to the risk factors and potential liability issues surrounding this type of travel. **EXPENSES ASSOCIATED W/ PERSONAL VEHICLE USE WILL NOT BE REIMBURSED**
- As an alternative, you can explore vehicle rental (from Hertz or Enterprise) or utilizing public transportation.

Travel Cont'd

❑ International Travel:

- Due to its detailed guidelines, international traveling requires several months of planning lead time. Please visit your Organizational Advisor as soon as possible, at least three months in advance.
- International travel planning involves a vetting and approval process of the destination by several offices including OCAE, SACBO, and the Office Of Global Programs.
- When making arrangements to travel out of the country, please prepare/research the following information:
 - Destination
 - Business Purpose
 - Number of travelers
 - Budget: income and expenses
 - Visa requirements
 - Travel alerts
 - Travel warnings
 - Travel arrangements/itinerary

Cash Handling

- ❑ Things You Should Know about Handling Cash:
 - “Cash” is considered to be any type of payment for goods or services including coin, currency, checks, and money orders.
 - Cash is considered revenue for the group and can come from many sources (i.e. ticket sales, bake sales, donations (solicited & unsolicited), student contributions for travel, etc.).
 - We strongly encourage you to deposit cash immediately after you have received the funds but within 48 hours maximum.
 - Cash **MUST** be deposited directly into a student group account – never into a student’s personal account.
 - Cash collected from events can not be used to pay vendors (performers, caterers, etc.) directly – a university check must be generated to make those payments.
 - Groups must retain a copy of all documentation supporting the receipt of cash (Event Sales Report/Deposit Slip). In addition, groups must keep a photocopy of all checks and any documentation that was sent to the group with the checks.
 - Reserve a cash bag/cash box to safeguard cash.

Cash Handling Cont'd

- ❑ What is a cash bag/box?
 - It's a bag or box equipped with a lock for safeguarding cash.
 - A Cash Bag/Box Request Form must be completed, at least 3 days prior to event.
 - You can also request a “bank” with a cash bag/box, which is start up money for making change, that must be returned with the money you deposit.
 - Bags/boxes must include cash and a completed Event Sales Report/Deposit Slip, when returned.
 - When sales are complete, cash boxes must be returned to SACBO during business hours (9 am – 5 pm); cash bags can be returned to SACBO during business hours or to the **drop box** located on the 2nd floor of Lerner Hall within the CU ARTS box office.
 - To gain access to the drop box after regular business hours, inform the hospitality desk manager or security guard that you need to make a drop. They will open the room and provide you with access.

Cash Handling Cont'd

- ❑ For certain income generating activities your organization may be able to avoid the need for direct Cash Handling by choosing to utilize the CU Arts Ticket Center, located on the Campus Level of Lerner Hall, next to Café 212.

- **Gifts/Prizes/Giveaways cannot be purchased via Out-of-Pocket funds, petty cash nor P-Card.**

Incoming Donations and Corporate Sponsorships

- ❑ What is a donation/gift?
 - A voluntary, irrevocable and gratuitous transfer to, and acceptance by, Columbia of cash or cash equivalent, securities, or property of value, or execution of an instrument that legally vests an instrument of value in the University.
 - Columbia University is obligated to issue a written receipt to every donor who makes a gift. **Note: Not all donations are considered gifts.**
 - Student groups must write acknowledgment letters for all gifts received, as a courtesy.
 - To be considered a gift, there is no endorsement of company's product or inducement to sell/purchase.
 - Gifts are deposited in special gift accounts (account number starts with 6) and there is an approximate 10% transaction fee on all activity.

- ❑ What is a corporate sponsorship?
 - A gift from a corporation to underwrite the cost of an event where the use or acknowledgement of the gift *includes* advertising, an endorsement, or other inducement to purchase, sell or use a sponsor's products or services.
 - Corporate Sponsorships are deposited into the group's general operating account (account number starts with 9). There is no transaction fee applied.

Incoming Donations and Corporate Sponsorships Cont'd

- ❑ Whom should I contact to discuss gifts or corporate sponsorship?
 - Your Organizational Advisor should be notified prior to having any discussions with any possible donors or sponsors.
 - Please submit to your Organizational Advisor a proposal that includes the following:
 - ❖ Purpose/Reason for Fundraising
 - ❖ Fundraising Goal
 - ❖ Budget (include expenses associated with fundraisers and events)
 - ❖ Target audience – who do you plan on soliciting. Provide list of foundations and companies if one is available
 - If your organization received an unsolicited gift, please notify your SDA/OMA/OCAE Advisor immediately and bring the check (and any correspondence) to your Financial Advisor on the 6th floor.

Outgoing Donations

- ❑ Groups can fundraise and donate funds to an outside charity:
 - All outgoing donations must come from revenue only.
 - Discuss with Advisor details of fundraiser. Goal of fundraiser should be clear and communicated.
 - Prepare a budget documenting fundraising goal and anticipated expenses.
 - All revenues from fundraising should be deposited into a CU account. A check is then generated for the Charity.
 - If funds are being donated to an outside charity, CU cannot provide a gift receipt to the donor.
 - Secure the 501c3 for the charity you are donating to.

Partisan Events/Activities

- ❑ If a group is interested in doing a partisan activity/event, you should work closely with your SDA/OMA/OCAE Advisor.
- ❑ It is important to share event details, since these may be factors used in determining if the event is partisan.
- ❑ General Guidelines:
 - University's sales tax exemption for goods and purchases will not apply. Expenditures on partisan activities must include tax.
 - University funds (allocation or cosponsorships) cannot be used to support these events.
 - While you can fundraise for partisan activities, fundraising on behalf of any political candidate is not permitted.
 - Communication disseminated via a CU email system/address must have a clear statement that this communication represents the personal position of the author/student organization and not the views of Columbia University.

Reconciling Accounts

- ❑ Reconciling your organization's account on a monthly basis will put your group at an advantage for ongoing budgeting and planning. Specifically it will:
 - Enable you to see any expenses that were charged to your account incorrectly.
 - Identify any duplicate charges.
 - Enable you to identify any missing revenue from co-sponsorships, CU Arts ticket sales and fundraising event deposits.
 - Enable you to locate any expenses that have not been applied to your account that should have been.
 - Identify any outstanding commitments that should be liquidated.
- ❑ Timely identification of these issues will allow you to bring this information to your Financial Advisor for further investigation and resolution. Failure to do so can result in your organization going into overdraft which unnecessarily places the burden of paying back that debt on future participants of your student group.
