Undergraduate Research Fellowships*

# PROGRAM

## MONDAY, FEBRUARY 24

### Academic Integrity Awareness Week Kick Off Noon–2:00 p.m.

Learn about Academic Integrity Awareness Week events and pick up FREE Academic Integrity swag and snacks!

**Columbia College: Lerner Hall ramps**

**Columbia Engineering: Mudd Lobby**

### Paraphrasing and Citation

2:00–4:00 p.m. | RSVP to [pdl-seas@columbia.edu](mailto:pdl-seas@columbia.edu)

Do you want to cite accurate sources but feel that you don't know how to choose your sources effectively? Practice your paraphrasing skills while learning to appropriately cite sources. Learn the cultural differences around paraphrasing and citation use, and learn how to use in-text citation, direct quotation and references that follow U.S. citation conventions.

## TUESDAY, FEBRUARY 25

### Faculty Lunch Discussion: Proactive Strategies to Promote Academic Integrity in Undergraduate Courses

Noon–1:00 p.m. | 401 Lerner

Over lunch, faculty are invited to discuss best practices for academic integrity when teaching undergraduate students. Share and learn preventative strategies to avoid academic dishonesty in the classroom, discuss how to access campus academic and wellness resources to support your teaching practices, and design courses for undergraduates.

### Lady Bird: Screening and Discussion

Noon–2:15 p.m. | 750 Schapiro CEPRSR

Christine “Lady Bird” MacPherson is a high school senior from the “wrong side of the tracks.” She longs for adventure, sophistication, and opportunity, but finds none of that in her Sacramento Catholic high school. *Lady Bird* follows the title character’s senior year in high school, including her first romance, her participation in the school play, and most importantly, her applying for college. There will be lunch served during the screening, as well as a discussion afterwards on questions of ethics and integrity as seen during the film.

## WEDNESDAY, FEBRUARY 26

### Black Panther: Screening and Discussion

6:00–9:00 p.m. | 501 Lerner

Come watch Marvel Studios’ “[Black Panther](#)” film. Afterward, students from the CC-SEAS Integrity Advisory Board will facilitate a conversation on integrity values, particularly how T’Challa battles a powerful old enemy after the death of his father, the King of Wakanda. T’Challa returns home to his African nation to become king. But as the young king, he has to make important decisions to save the people of Wakanda. Pizza, popcorn and refreshments provided. Movie will start at 6:30 p.m.

*This event is presented in conjunction with Columbia University’s celebration of Black History Month.*

## THURSDAY, FEBRUARY 27

### Copyright & Fair Use Week’s Great Cookie Giveaway 11:30 a.m.–1:30 p.m. | Butler lobby

Pick up treats, get information about [Copyright Advisory Services](#) at Columbia University Libraries and learn more about the practice of fair use in your academic work.

*This event is presented in conjunction with Fair Use Week.*

### Navigating Columbia and Beyond: Inside Scoop & Swag

1:30–3:00 p.m. | John Jay Lounge

Build your own ice cream sundae (vegan, non-dairy options available) while learning how to better navigate support resources for academic integrity. Get advice on upholding academic integrity while mixing and mingling with advising staff and fellow students.

## FRIDAY, FEBRUARY 28

### Advanced Ethics

3:30–5:00 p.m. | RSVP to [pdl-seas@columbia.edu](mailto:pdl-seas@columbia.edu)

This elective builds upon the introductory ethics course by exploring some of the ethical challenges engineers face in the industry. In particular, the seminar will focus on conflicts of duties, and through a Socratic process of discussion, help students develop clarity about their own ethical priorities. The seminar will feature an extended case study of the design and construction of the BP Deepwater Horizon oil rig, focusing on engineering decisions that compromised safety for cost savings that led to both fatalities to one of the worst environmental disasters in American history.
