Statistics	5	3	The department grants 3 credits for a score of 5 on the AP Statistics exam. Students who are required to take an introductory statistics for their major should check with their major adviser to determine if this credit provides exemption from their requirement.

**NOTE:** This chart generally sets forth ways in which students can obtain credit based on Advanced Placement ("AP") scores. This chart is designed to be a guide only. Students must consult with their advising deans to discuss what credit they may be eligible for and ways to use any applicable credits in the registration process. Students may accrue a maximum of 16 points toward graduation through AP scores. The point equivalents are entirely the prerogative of the faculty

*and are determined by the relevant academic department. Students should not rely exclusively on this chart without further consultation. Moreover, this chart is subject to change based on the academic discretion of the faculty of Columbia University.*
