Medical Schools with Math Requirements
(from MSAR 2010-2011)

The following chart lists all of the schools that publish a requirement in math. If you do not find a school on this list, it is because they do not have a math requirement.

Alabama

University of Alabama	2 semesters college math
University of S. Alabama	2 semesters college math Calculus is recommended

Arkansas

University of Arkansas	2 semesters college math Calculus recommended Computer Science recommended

California

USC Keck	College math recommended Calculus recommended Computer Science recommended
UC Davis	College math required Statistics is recommended
UC Irvine	1 semester Calculus 1 semester Statistics
UCLA	2 semesters college math which should include: Study of Introductory Calculus and Statistics Computer Science recommended
UC San Diego	2 semesters college math (only Calculus, Statistics, and Computer Science will be acceptable) Computer Science recommended
Loma Linda	Intro to Basic Statistics recommended Computer Science recommended
Stanford University	Calculus recommended

Colorado

University of Colorado	2 semesters college mathematics Computer Science recommended

Connecticut

U Conn	Math, Calculus recommended

District of Columbia

Georgetown University	1 semester college math/statistics Computer Science recommended
Howard University	2 semesters college math

Florida

U of Central Florida	2 semesters college math, calculus recommended
Florida Intl. University	2 semester calculus and/or statistics Computer science recommended
Florida State University	2 semesters college math
University of South Florida	2 semesters college math

Georgia

Morehouse School of Medicine	2 semesters college math

Hawai'i

John A. Burns School of Med.	Mathematics recommended

Illinois

Southern Illinois University	2 semesters college math recommended
U Chicago Pritzker	Calculus recommended

Iowa

U Iowa	1 semester college math

Kansas

University of Kansas	1 semester college math

Kentucky

University of Louisville	1 semester Calculus 2 semesters math overall recommended

Louisiana

Louisiana State-NO	1 semester calculus recommended 2 semesters math overall recommended Computer Science recommended

Maryland

University of Maryland	Computer Science recommended
Johns Hopkins University	2 semesters Calculus Computer Science recommended
Uniformed Services University	1 semester Calculus

Massachusetts

Boston University	2 semesters math recommended
Harvard University	2 semesters Calculus
U Massachusetts	Calculus recommended 2 semesters Computer Science recommended

Michigan

Michigan State University	Math through College Algebra or Statistics and Probability Computer Science recommended

Minnesota

U Minnesota Duluth	1 semester Calculus or upper level Statistics
U Minnesota Minneapolis	Statistics recommended

Mississippi

University of Mississippi	2 semesters college math Calculus recommended

Missouri

U Missouri-Columbia	1 semester college math
Washington University	2 semesters Calculus

Nebraska

University of Nebraska	1 semester Calculus

Nevada

U Nevada-Reno	Calculus, College Math, Computer Science recommended

New Hampshire

Dartmouth Medical School	1 semester Calculus

New Jersey

UMDNJ – New Jersey Medical School	1 semester college math is recommended
UMDNJ – Robert Wood Johnson	1 semester college math

New York

Albert Einstein College of Medicine	2 semesters college math (may include Computer Science or Statistics)
Mt. Sinai School of Medicine	2 semesters college math (may include Computer Science or Statistics)
University of Rochester	Calculus, Biostatistics recommended
SUNY-Upstate	Calculus recommended

North Carolina

Brody School of Medicine	Biostatistics recommended
Duke University	1 semester Calculus 1 semester college math (statistics/biostastics recommended)

North Dakota

University of North Dakota	1 semester college math Computer Science recommended

Ohio

University of Toledo	2 semester college math
Northeastern Ohio	Calculus, College math recommended
University of Cincinnati	Calculus, College math recommended Computer Science recommended
Wright State University	2 semesters college math Calculus and Computer Science recommended

Oregon

Oregon Health & Science University	1 semester college math Statistics, Calculus recommended

Pennsylvania

Jefferson	College Math recommended
Pennsylvania State University	2 semesters college math Calculus recommended
U of Pennsylvania	Knowledge of Calculus, Algebra, Statistics recommended Computer Science recommended
University of Pittsburgh	Strong background in math recommended

Puerto Rico

Ponce School of Medicine	2 semesters college math or trig
Universidad Central del Caribe	2 semesters college math Calculus and Computer Science recommended
U of Puerto Rico	Computer Science recommended

Rhode Island

Brown University	1 semester calculus

South Dakota

University of South Dakota	2 semesters of college math Calculus recommended

Tennessee

Meharry	1 semester college math

Texas

Texas A & M	1 semester Calculus 1 semester math-based Statistics
Texas Tech Lubbock	1 semester math-based Statistics
Texas Tech El Paso	1 semester calculus
U of Texas-Galveston	1 semester Calculus
U of Texas-San Antonio	1 semester Calculus
U of Texas-Southwestern	1 semester Calculus

Utah

U of Utah	Calculus, College Math recommended

Vermont

UVM	College Math recommended

Virginia

Virginia Commonwealth University	2 semesters College Math

Wisconsin

Medical College of Wisconsin	1 semester College Math, calculus recommended
University of Wisconsin	1 semester College Math and statistics; Calculus recommended
