INTRODUCTION

It is the goal of The Office of Residential Programs-Fraternity and Sorority Life to “provide educational programs, services, and resources toward holistic growth of its members; and to support the ideals of the Fraternity and Sorority Community by challenging its members to live by those ideals.” Towards these ends, the Office has created the New Member Education/Membership Intake Handbook to help guide you through the exciting and important process of welcoming new members into your organization.

This Handbook provides guidelines that will create a positive intake experience for both current and new members. The manual also aims to inform you of Columbia University policies and regulations regarding potential Greek Letter Organization members.

EXPECTATIONS FOR MEMBERSHIP

Students at Columbia University are expected to conduct themselves in a manner supportive of the educational mission of the institution. Integrity, respect for the person and property of others and a commitment to intellectual and personal growth in a diverse population are values deemed fundamental to membership in this University community.

The following basic expectations for fraternity and sorority members have been established:

1. I will know and understand the ideals expressed in my chapter ritual and will strive to incorporate them in my daily life.
2. I will support a positive new member education program that is alcohol free.
3. I will not harass, whether physical or verbal, oral or written, which is beyond the bounds of protected free speech.
4. I will not threaten the mental health, physical health or safety of any person or persons including hazing, drug or alcohol abuse, and other forms of destructive behavior.
5. I will not intentionally disrupt or obstruct the lawful activities of the University or its members including their exercise of the right to assemble and to peacefully protest.
6. I will not allow theft of or damage to chapter, personal, University or public property or services or illegal possession or use of the same.
7. I will not physically harm or threaten physical harm to any person or persons, including but not limited to sexual assault, sexual abuse, or other forms of physical abuse.
8. I will not use nor support the illegal purchase, use, possession or distribution of alcohol, drugs or controlled substances.
9. I will respect the health and safety of all human beings.
10. I will acknowledge that a clean and attractive environment is essential to both physical and mental health; therefore, I will do my best to see that the chapter property is properly cleaned and maintained.
11. The fraternity or sorority will not tolerate or condone any form of sexually abusive behavior on the part of its members, whether physical, mental, or emotional. This is to include any actions, which are demeaning to any person or persons including but not limited to sexual assault or verbal harassment.

Culpability is not diminished for acts in violation of this Code that are committed in ignorance of the Code or under the influence of alcohol, illegal drugs or improper use of controlled substances.

HAZING

THE OFFICE OF RESIDENTIAL PROGRAMS- FRATERNITY & SORORITY LIFE AND COLUMBIA UNIVERSITY HAS A ZERO TOLERANCE FOR HAZING

A. New York State Law

New York statutory law includes two (2) provisions making hazing an illegal act and one (1) provision requiring the adoption of university regulations proscribing hazing.

1. New York Penal Law 120.16; Hazing in the First Degree: A person is guilty of hazing in the first
degree when, in the course of another person's initiation into or affiliation with any organization, he/she intentionally or recklessly engages in conduct which creates a substantial risk of physical injury to such other person or a third person and thereby causes injury. Hazing in the First Degree is a class A misdemeanor.

2. New York Penal Law 120.17; Hazing in the Second Degree: A person is guilty of hazing in the second degree when, in the course of another person's initiation or affiliation with any organization, he/she intentionally or recklessly engages in conduct, which creates a substantial risk of physical injury to such other person or a third person. Hazing in the second degree is a violation.

B. Essential Policies for the Columbia Community

Hazardous Activity in Connection with Initiations and Affiliations (often referred to as hazing)

University policy and state law (New York Penal Law Section 120.16 and New York Education Law Section 6430) prohibit what is often referred to as hazing. In accordance with New York Education Law Section 6430, the following rules and regulations supplement existing University rules and regulations for the maintenance of public order on University campuses and other University property used for educational purposes:

1. Any action or situation which recklessly or intentionally endangers mental or physical health or involves the forced consumption of liquor or drugs for the purpose of initiation into or affiliation with any organization is prohibited.

2. Any person who engages in conduct prohibited by the foregoing paragraph shall be subject to ejection from University campuses and property and, in the case of a student or faculty violator, to suspension, expulsion, or other appropriate disciplinary action by the Dean or other University officer having jurisdiction. Any organization that authorizes such conduct may be subject to rescission of its permission to operate on University campuses or property.

3. A copy of these rules and regulations shall be given to all students enrolled in the University and shall be deemed to be part of the bylaws of all organizations operating on the University’s campuses. Each such organization shall review annually such bylaws with individuals affiliated with such organization.

4. These rules and regulations are applicable to all students, faculty, and other staff as well as visitors and other licensees and invitees.

C. Interpretation of the Definition of Hazing

In determining whether an activity constitutes hazing, the University shall use the common and ordinary meaning of the terms in the definition. If an organization is unsure whether a proposed activity will constitute hazing, the organization should feel free to contact the Office of Residential Programs - Fraternity & Sorority Life. As a reference the following definition is provided:

Hazing is any action taken or situation created intentionally:

- that causes embarrassment, harassment or ridicule
- risks emotional and/or physical harm
- to members of a group or team
- whether new or not
- regardless of the person's willingness to participate

Any violation of the above definitions and interpretation (A,B and C) will be subject to investigation and disciplinary action.

D. Examples of Hazing Activities

Examples of conduct which would violate the New York State "Anti-Hazing" Law and related Columbia University policy. This list is not meant to be all inclusive, but is meant to serve as an instructional aid.
Specifically, such action or situation may include, but is not limited to:

- Any activity (including voluntary athletic contests and constructive work) that might reasonably bring physical harm to the individual.

E. Anti-Hazing Guidelines

The following activities have been identified as acceptable or unacceptable membership intake practices:

**Physical Activity:** Unacceptable. Because of the potential to use exercise as a punitive mechanism and because of concerns about a variety of physical limitations of new members, the committee decided that intake programs should not include a physical element. (Note: physical activity includes but is not limited to exercise, work outs, running, etc.)

**Uniforms:** Acceptable under the following conditions: As mandated by the Inter/National organization and only if professional. Uniforms cannot interfere with the academic institution or the student's ability to function within that institution.

**Marching:** Unacceptable unless included as part of a show. Marching is defined as but is not limited to potential new members linked arm in arm, stepping or stomping loudly in unison, dipping and/or chanting/singing.

**Surfacing Shows:** Acceptable according to the Inter/National guidelines and the following conditions: Only organizations with Full Recognition at Columbia University may host surfacing event. Only if there is no physical, mental and/or verbal abuse and with proper and timely notification to Fraternity and Sorority Life.

**Walking in Unison:** Acceptable. Potential new members may walk together in unison. (Note: walking in unison is defined as walking together in/on the same stride. Not to be confused with marching. See #2 for definition of marching.) Walking in unison, as an accidental occurrence is acceptable, however chapters should refrain from mandating potential new members to walk in unison.

**Mandating Social Probation:** Unacceptable. Social Probation is defined as but is not limited to:

1. Not being able to socialize and/or speak with friends, family, professors, employers, etc.
2. Not being able to attend social events such as parties, programs, etc.

**Greetings:** Unacceptable unless included in a show. Greetings are defined as formalized ways in which a potential new member is required to address a current member of the organization in which skits, songs, prose, etc. are incorporated to imply and/or define the amount of respect, admiration and/or appreciation of the current member the potential new member has.

**Viewings:** Unacceptable. However, meetings with two or more organizations at which potential new members are present are acceptable with proper registration and notification to Fraternity and Sorority Life. Viewings are defined as allowing members of other chapters or organizations to see, look at, or view potential new members.

**Cross pledging:** Unacceptable. Cross pledging is defined as allowing members from another organization (fraternity and/or sorority) to view, question, pledge, come into physical contact, etc. with potential new members from your organization.

**Sleep Deprivation:** Unacceptable. No activity should go past midnight nor begin prior to 8am.

**Verbal, mental or physical threat:** Unacceptable.

**Power hierarchies:** Unacceptable.

**Pre and Post Pledging:** Unacceptable.

**Auxiliary Groups:** Unacceptable. The sponsorship of and the participation in auxiliary organizations (pre-membership), is inconsistent with the purpose and the philosophy of social fraternal organizations.

**F. Policy Regarding Uniforms, Probate Shows, Marching, Walking in Unison, Social Probation, Greetings, etc.**

A written mandate from the Inter/National Organization of the use and approval of any of the above listed must be updated and on file each semester the new member education/intake program is conducted. Letter must be received PRIOR to the first day of the new member education/intake program by Fraternity & Sorority Life.
