BIAS RESPONSE PROTOCOL

The CC/SEAS Division of Student Affairs has worked with students and key administrative offices to develop a protocol, outlined in this brochure, responding to acts of hate and bias in our community in order to better create a safe and secure environment for all of our students.

Students who witness, hear of, or are victim to acts of bias and hate should immediately contact Public Safety at 212-854-5555. Once Public Safety is notified, the CC/SEAS Deans and relevant Student Affairs administrators are alerted, and several steps are taken to respond to the needs of our community:

STEPS STUDENTS CAN TAKE
If you witness or become aware of a bias-related incident, you should take the following steps:

✔ Contact Public Safety immediately at 212-854-5555.
✔ Contact your Resident Adviser (RA), Advising Dean, Multicultural Affairs, or another campus resource to be of support to you and the situation.
✔ Keep all the evidence intact.
✔ Stay with the affected person(s) until help arrives.
✔ Serve as a complainant or witness in the judicial process, if necessary.
✔ If you feel you are able to, work with students and administrators to educate the community following the incident.
✔ Seek help and support if you need it.
✔ Email communitysupport@columbia.edu for general questions or concerns.
CAMPUS RESOURCE GUIDE

Here are some essential campus resources—offices and departments—that many students find helpful. These offices are designed to service you, pick one a day and get to know the staff—whether you go alone or with your mentee, you have the right to seek out a supportive network.
