Committee on Academic Standing

Petition to Add a Course After the Deadline

What is the Committee on Academic Standing (CAS)?
CAS is comprised of Advisers and Advising Deans from the Berick Center for Student Advising (CSA). CAS upholds the policies and regulations of the Columbia College (CC) and the Fu Foundation School of Engineering and Applied Science (SEAS) Committees on Instruction (COI), and determines when circumstances warrant exceptions. CAS meets weekly to review petitions on a case-by-case basis. Decisions seek to uphold the rules of the CC and SEAS COIs while treating students equitably, bearing in mind the particular circumstances surrounding each student’s petition.

Under what circumstances should I submit a petition to add a course after the deadline?
Students are encouraged to add all classes to their schedules within the Change of Program Period (the first two weeks of the semester). With faculty approval, students may continue to add courses until their school’s drop deadline (which is during the 5th week of the semester for CC students and the 10th week of the semester for SEAS students) using the Post-Change of Program Add/Drop tool in SSOL. After that date, students wishing to add a course must submit a petition to the Committee on Academic Standing. Faculty support is required in order for a petition to be considered, but does not solely determine its outcome.

What should I do if I need to submit a petition?
You must contact your CSA Adviser if you believe your situation should be reviewed by CAS for a possible exception. Your adviser will review your case, clarify policies, discuss options, and ensure that all paperwork is complete.

What paperwork must I submit when petitioning to add a course after the deadline?
1. Petition to Add
   a. Petition for Action
   b. Instructor Form to Add a Course after the deadline
   c. Registration Adjustment Form (complete, except for adviser signature)
2. A typed Statement to the Committee
3. “Grades” screen printed from SSOL
4. Additional supporting documentation, if warranted

What is the deadline to submit a petition?
Because CAS meets weekly, petitions must be submitted by 3:00pm on Friday in order to be considered the following week.

How will I be notified of the decision?
Students should expect an email notification of the Committee’s decision within five business days of the Committee meeting.

May I appeal the decision?
If CAS denies your petition, you may submit a written appeal to the Dean of Advising (CC) or the Dean’s Office (SEAS). Additional information and documentation (not included with the initial petition) must be provided for your appeal to be considered. More details will be provided if your petition is not approved.
