The Barnard-Columbia Urban Studies Program enables students to explore and understand the urban experience in all of its richness and complexity. Please join us for our Spring 2024 informational meeting, where we will give a general overview of the courses being offered next term, answer questions about our curricular requirements, and discuss the unique opportunities that the Barnard-Columbia Urban Studies Program has to offer.

All Urban Studies majors, faculty members, and prospective students are invited to attend.

Pizza and beverages will be served.
